The Sturt Baseball Club continues to grow. This coming season we will have over 200 players, across junior and senior grades. We are looking to build upon the success of last year, which saw a premiership winning U19 team, and the club being named SA Baseball Junior Club of the Year.

As we launch our new facility at Norman Reserve (October 2014) the club is looking for sponsors to be involved during this exciting time at the club.

In addition to the ongoing development of the club, we have initiatives planned that will see a greater involvement with the local community. We believe these Sponsorship Packages provide an exciting opportunity for our Sponsors. We look forward to your support and welcoming you to opening day on Saturday 11th October 2014.
