Limited Edition Centennial Wine

Centennial 2006 Barossa Valley Semillon
Limited to 12 only in Timber Display case with Commemorative labels

Centennial 2005 Barossa Valley Shiraz
From vines with roots deep into the fertile loam of the valley floor. A very full bodied Shiraz from warmer Barossa Valley. Huge plum like fruit, dense and very rich ripe flavours. In true Barossa style - very generous and fleshy fruit. Enjoy with a great piece of fillet steak.

Centennial 2004 Eden Valley Shiraz
From a higher elevation vineyard this 2004 Shiraz is berry fruit driven with a hint of oak. The vineyard was replanted in 1999 and although young the resultant fruit is strong and alive with blackcurrant and blackberry flavours. A great wine for the barbie on those warm sunny afternoons.

Centennial 2006 Barossa Valley Semillion
Dry grown 90 year old vines, nestled in the Barossa Valley foothills. Hand picked and whole bunch pressed to retain the lean fruity flavours combined with the hint of honey. The early picked Semillion fruit leaves a taste of lime & lemon. A classic wine for drinking cold with fresh oysters or salt & pepper squid.

Centennial 2005 Barossa Valley Riesling
From the Barossa valley foothills grown on hard stoney ground covered in mossy rocks. Rich full bodied lime fruit, very flavoursome with an earthy finish. Fruit concentration was achieved due to low crops per acre. Sadly these vines were pulled in 05’. A delight to drink with prawns grilled on the bbq or a tender well rested lamb.

All wine is available at the Club Bar as bottled purchase only.
